Alex,  
At this point in time all I have is a pdf of the proposed properties after the adjustment, the second drawing in the attached document. I can request from AMEC an auto cad version if necessary.

Kevin,  
  
Do you have a site plan for the Pechiney site?

Thanks,

Alex,  
  
I hope you're enjoying your time off and the holidays.  
  
Our design/engineering team has requested a site plan in CAD. Do you have one that you can send to us?  
  
We also want to get on your calendar early in January. Please let us know how your schedule looks the week of Jan 5th.  
  
Best wishes for a Happy New Year!  
  
Bob
